Rugby Motor Club is an active motor club based in the Midlands, with members competing in various forms of motorsport including stage, road and classic rallying, targas, autotests, production car trials and sporting trials. We run various events throughout the year, usually on Wednesday evenings, including a grass autotest series during the summer months and a 12-Car navigation road rally series during the winter. Together with the other Mercia Motor Sport clubs we also run the Bob Budd Memorial Targa Rally.
